Thanks. I think what we are missing is the signature page **along with the attachment.**

Carla did pass along the signature page on Friday but not the signature page with the attachment – the whole package should be one pdf. Is it possible to do that? Both documents are in CTS or I could send the attachment and someone could pdf the whole thing.

Thanks.

Carrie

Attached is the signature page, which Gail helped me to obtain. Thanks, Gail!

Folks – thanks to Carla for sending the attached .pdf of a memo that Avi signed late Friday. There was also an attachment to this document in CTS, which is also part of the approval. Could one of you please put the memo and attachment in a pdf? If you need me to re-send the attachment, I can do that.

Just want to be sure that we preserve the final attachment with the memo Avi signed.

Let me know if you have questions.

Thanks.

Carrie
